Verification Form for Congregations / Employers / Organizations

RE: Child Protection Background Checks for Quiz Coaches or Staff Attending AMEC Quizzing Events

To be completed by a representative of the congregation, employer or organization with access to the files of background certifications of coaches or staff.

I verify that the following individuals, who are likely to attend AMEC Quizzing sponsored events, have all undergone, within the past five years: 1) the Pennsylvania Child Abuse History Clearance Certification; 2) the Pennsylvania State Police Request for Criminal Record Check; and 3) the FBI Fingerprint Check (unless, in the case of a volunteer, the individual has lived in Pennsylvania for the past ten years and affirms that they have not been convicted of any crime, in another state, similar to the convictions disqualifying a person in Pennsylvania. Residents of other states will be required to submit their respective states' child abuse and state police background checks). I understand that this verification form is valid for one year. Our congregation or business or organization maintains the results of all background checks in a confidential location.
